

Procura+ Campaign Update

12 November 2015, Barcelona

Philipp Tepper
Procura+ Campaign Manager
ICLEI – Local Governments for
Sustainability

Who we are

1. Procura+ supports public authorities in implementing sustainable public procurement, promotes their achievements and fosters exchange on good practice from public procurers and experts internationally.
2. 45 participants in 15 countries, 7 national partners, the Procura+ Exchange with more than 700 SPP experts and practitioners

● Where do we want to go

- Consultation on the Procura+ re-development concept in partnership with the SPP Regions project
- Rich feedback from participants and national partners – thank you so much!

Where do we want to go

New name and logo

PROCURA+
European Sustainable
Procurement Network

● Where do we want to go **Interest Groups**

- Interest Groups will be set up where several participants have a common interest in addressing and building capacity in SPP topic areas...
- ...could be broad topics such as market engagement or LCC, or could be sector specific topics such as school catering or energy efficient ICT.

● Where do we want to go Twinning

- Procura+ Network Participants will be able to seek an SPP 'Twin' by having a matchmaking space on the website
- Activities might include: benchmarking SPP activities, setting up an SPP policy, or help with a specific tender

● Where do we want to go **Better profiling...**

- ...through updated website, newsletter, annual report, case study series and SPP award
- 5 new case studies per year, presenting interesting stories relating to the SPP of the Network participants
- Procura+ Awards: “Sustainable procurement of the year”, “Innovation procurement of the year” and “Tender procedure of the year”

● Where do we want to go **From National Partners to Strategic Partners**

- National Partners have played a key role in the success of the Procura+ Campaign
- Broader scope, not bound to national territories
- Role of Strategic Partners: Support and promote the activities of the Procura+ Network

● Where do we want to go

Regional networks and Procura+ Associates

- To support the important role of regional SPP networks addressing SPP implementation
- To further expand the reach of the Network, to other public authorities, European and national policy makers, research institutes, and selected stakeholders and multipliers
