Onboarding the City Council

Main drivers that convinced the City Council of our story?

- Sustainable Procurement Strategy
- September 2014: Ecoprocura @ Ghent

Sustainable Procurement Strategy

- I. Minimizing the ecological footprint throughout the entire lifecycle with a focus on:
 - a. Rational use of energy and independence of non-renewable energy
 - b. Minimizing the impact on local air quality through efficient and environmentally friendly transportation and deliveries
 - c. Avoiding waste
- II. Encouraging sustainable employment of disadvantaged groups with a focus on:
 - a. Increasing the opportunities on the labour market for job seekers from disadvantaged groups – with specific attention for youth unemployment
 - b. Strengthening the sustainable growth of the social economy sector
- III. Promoting sustainable innovations.
- IV. Fostering local economic growth with special attention for start-ups and innovative companies.
- V. Integrating and assuring international labour standards and fair trade principles throughout the supply chain.
- VI. Encouraging sustainable entrepreneurship amongst suppliers
- VII. Increasing the maturity of the procurement function and striving towards excellence in procurement
