

Zürich's success stories on implementing SPP

Beat von Felten

Scientific adviser

Department of health and environment

City of Zürich

Procurement policy (2008)

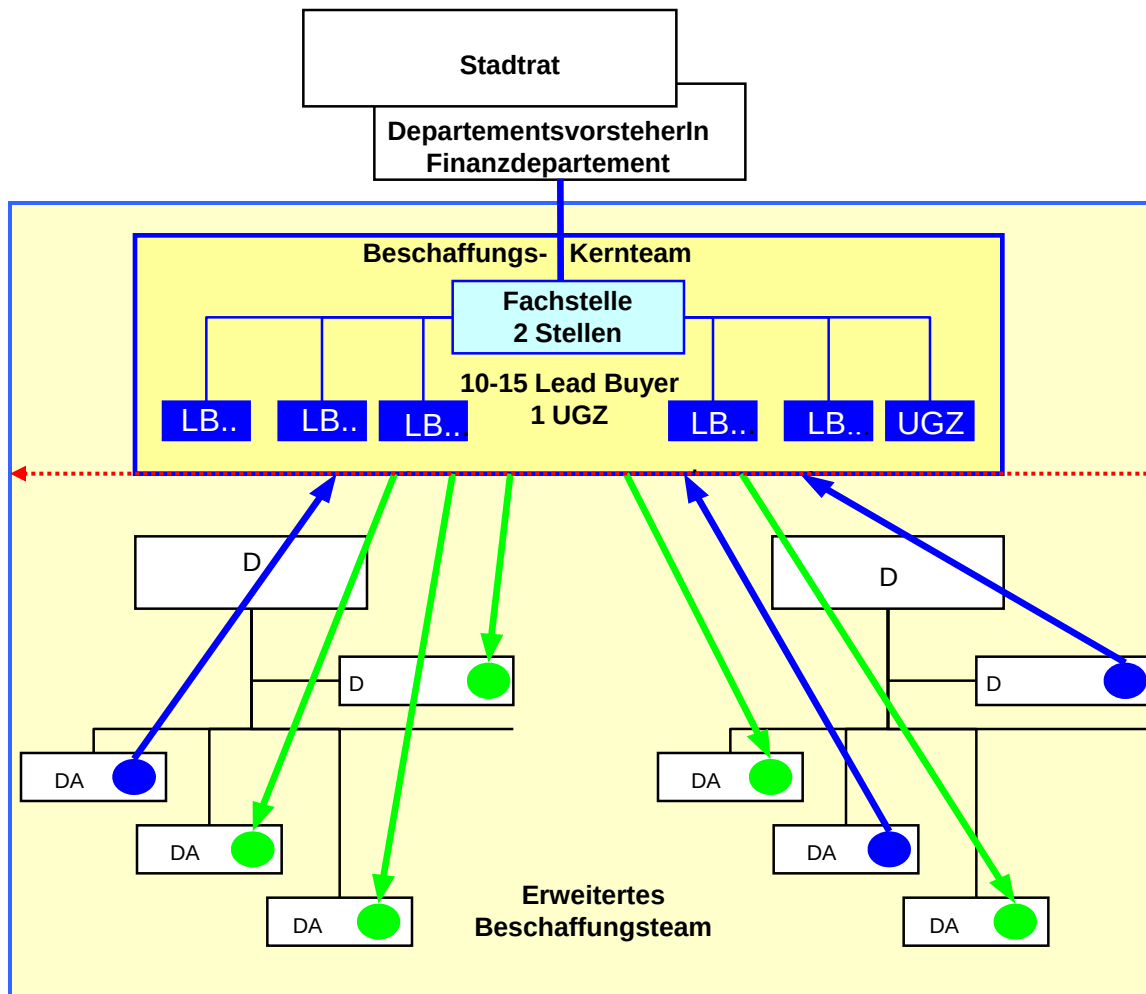

➤ Subtitle: Our engagement for sustainability

The goods and services to be procured have to meet high economic, ecological and social standards over their complete life cycle.

PRODUKT - LEBENSWEGBETRACHTUNG

Procurement structur (2008)

Members of the procurement core team:

- Board of procurement coordination
- Lead Buyer (inkl. Organe mit etablierten koordinierten Beschaffungsaufgaben, wie OIZ, GUD, SBMV, IMMO, Fahrzeugkommission)
- **A Person from UGZ for ecological and social concerns**

Mitglieder erweitertes Beschaffungsteam:

- Beschaffungskernteam
- Beschaffungsverantwortliche der Departemente und Dienstabteilungen

➡ Delegation der Lead Buyer

➡ Koordinierte Beschaffung

Guideline adopted 2010 for fair procurement
